

Hellesdon Horticultural Association

Welcome Sheet

Welcome to Hellesdon Horticultural Association A friendly club which meets on the 3rd Monday of each month from 19.30 to 21.30 at Hellesdon Community Centre, Wood View Road, NR6 5QB.

The Association has existed for over 70 years and has a proud history of helping everyone with a passion for gardening. We provide an annual programme of talks throughout the year, visits to gardens and three shows, Spring, Summer and Autumn.

We are affiliated to the Royal Horticultural Society and the Norfolk & Norwich Horticultural Society and work with other garden societies to provide a wide range of opportunities in every aspect of the gardening world.

We aim to provide a well-organised and structured association that respects differing views and values. Our constitution is designed to protect both the work of the Association and the rights of individuals. We review our constitution each year at our AGM to ensure we keep up with new legislation and respond to issues raised by our committee and members.

Please treat everyone in the Association with care and consideration. We ask members to listen when instruction, guidance and information are being given, there is always plenty of time to chat before and after the business of any talk, event or show and especially during refreshment breaks.

We ask members to complete the attached Information Sheet once a year in order to make sure we have your latest contact details.

If you do not wish your image to be used as outlined in our attached information sheet then please let us know and we will ensure it is not published.

If you have any ability issues that require some consideration or assistance to be able to attend our events and visits then please either let us know or enter any needs below.
